1. We have received word from AIRCERT that JAVELIN is at present compiling their review of VALUABLE activities for 1953 and hopes to pass us a copy of the final version shortly. AIRCERT would be grateful to receive a copy of the parallel OBOPUS review, which he presumes is being prepared on the lines of that previously transmitted for 1952, and would like to know how soon JAVELIN may expect to receive it.
